Warrant for the 1956 Town Meeting

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milton in the County of Strafford, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the thirteenth day of March, next, at ten of the clock in the forenoon, with polls not closing before eight of the clock in the afternoon, to act on the following subjects:

1. To bring in your ballots for Town Officers.

Articles of Business at 7:30 P. M.

2. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred thirty-two dollars and twenty-nine cents (\$532.29) in order to receive Town Road Aid, and pass any other vote or votes relative thereto. (The State of N. H. to contribute \$3,548.62.)

3. To see if the Town will vote to raise and appropriate a sum of money not to exceed ten thousand dollars (\$10,000.00) for gravel and repair of highways and bridges.

4. To see if the Town will vote to raise and appropriate a sum of money not to exceed eight thousand dollars (\$8,000.00) for winter maintenance.

5. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) for the continuation of Silver Street, leading out of Milton village.

6. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the construction of a black top road on the Teneriffe Mountain Road.

7. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for the Camp Roads.

8. To see if the Town will vote to raise and appropriate a sum of money not to exceed three thousand dollars (\$3,000.00) for oiling.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for repair of sidewalks in Milton and Milton Mills.

10. To see what action the Town will take regarding the purchase of a new grader, and raise the necessary funds to purchase the same, if voted.

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand dollars (\$2,000.00) for maintenance of highway equipment.

12. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.00) for street lights.

13. To see if the Town will vote to raise and appropriate a sum of money not to exceed thirteen thousand dollars (\$13,000.00) to pay Town charges and expenses, and pass any other vote or votes relative thereto.

14. To determine the salaries, wages and other compensation and allowances for all persons serving

the Town, and to pass any other vote or votes relative thereto.

15. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars (\$2,500.00) for the Milton Fire Department, and pass any other vote or votes relative thereto.

16. To see if the Town will vote to raise and appropriate a sum of money not to exceed eight hundred dollars (\$800.00) for maintenance of the Milton Mills Fire District.

17. To see what sum of money the Town will vote to pay the first and second Engineers and Firemen in addition to the amount allowed by law; to see how much per hour the Town will vote to pay Engineers and Firemen while fighting fires, and pass any other vote or votes relative thereto.

18. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for the maintenance of hydrants in the Milton Water District.

19. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred dollars (\$300.00) for the Milton Free Public Library at Milton Mills.

20. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred and fifty dollars (\$250.00) for Memorial Day.

21. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred

and fifty dollars (\$250.00) for the erection of a permanent Veterans' Memorial Plaque.

22. To see if the Town will contribute to the New Hampshire Marine Memorial Fund, and raise the necessary amount for same.

23. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred sixty-eight dollars and twenty-four cents (\$268.24) for the Lakes Region Association.

24. To see if the Town will vote to raise and appropriate a sum of money not to exceed four hundred dollars (\$400.00) for the control of White Pine Blister Rust.

25. To see if the Town will authorize the Selectmen to spend the necessary funds for Civilian Defense use.

26. To see if the Town will authorize the Selectmen to hire on notes of the Town a sum of money necessary to pay current expenses in anticipation of taxes of 1956, and pass any other vote or votes relative thereto.

27. To see if the Town will vote to give Robert S. and Susanne H. Bolan a quitclaim deed for the Town's questionable title in the so-called Lane from Hodgman's driveway to said Bolan's land, reserving one hundred (100) feet east of the Hodgman driveway to turn Town equipment.

28. To see what financial support the Town would offer a resident physician, in accordance with Chapter 31, Section 4, Revised Laws, wishing to occupy the Looney House, and pass any other vote or votes relative thereto. (By petition.)

29. To see if the Town will authorize the Selectmen to sell the Looney house and property.

30. To transact any other business that may legally come before this meeting.

JOHN G. GILMAN,
LEROY J. FORD,
ROBERT P. LASKEY,
Selectmen of Milton.

A true copy—Attest:

Warrant for the Milton Water District

STATE OF NEW HAMPSHIRE

To the inhabitants of the Milton Water District, in the town of Milton, qualified to vote in the district affairs:

You are hereby notified to meet at the Engine House Hall in said district on Saturday the 17th day of March, 1956, at seven thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To choose one commissioner for the ensuing year.

Article 4. To choose a treasurer for the ensuing year.

Article 5. To raise and appropriate a sum of money not to exceed \$1,500.00 to pay for retirement of serial bonds.

Article 6. To raise and appropriate a sum of money not to exceed \$2,500.00 to pay for retirement and interest of serial notes for pipe line relocation, and water tank reconditioning.

Article 7. To transact any other business that may legally come before said meeting.

Given under our hand and seal at said Milton
this 15th day of February, 1956.

FRANK E. McINTIRE,
EARL E. RAMSEY,
STANLEY C. TANNER,
Commissioners.

A true copy of Warrant—Attest:

FRANK E. McINTIRE,
EARL E. RAMSEY,
STANLEY C. TANNER,
Commissioners.

Report of the Commissioners of the Milton Water District

Your Commissioners submit the following report for the year 1955:

At the annual meeting in March, the district voted to authorize the commissioner to borrow on notes of the district a sum of money not to exceed \$4,000 to recondition the tank.

This work was done by the Dixie Tank and Bridge Co. in August. The tank was cleaned, scaled and rust pits and seams were welded. The interior of the tank was sealed with an asphalt base paint and the exterior was painted. Under the terms of the contract with the Dixie Tank & Bridge Co., the repair work is guaranteed for 12 years, and the painting for 3 years. The tank is to be inspected once a year and painted every third year.

In December we had Mr. Hosmer R. Kimball, the Engineer who installed the electrical equipment in the pump house when the water works was installed, inspect the pump house. He said in his report that on the whole things were in excellent condition. He did find that although the electrical end of the pressure regulator was O.K. that it reacted slowly to water pressure. To overcome this difficulty he recommended a different type of a snubber system between the tank level gage and the pressure regulator.

Action on his suggestion has been postponed until after the District meeting.

No new services were installed this year, and with the exception of some service leaks our maintenance costs were kept at a minimum.

Respectfully submitted,

FRANK E. McINTIRE,
EARL E. RAMSEY,
STANLEY C. TANNER,
Commissioners.

Report of the Milton Fire Department

The department answered thirty calls the past year.

- 2 building fires
- 3 brush fires
- 3 rubbish fires
- 4 oil burners
- 14 chimney fires
- 3 automobile fires
- 1 call for the resuscitator

The Union department answered two calls for us on the north side of town.

Under Mutual Aid, the department made one trip to Farmington and one trip to Milton Mills. Milton received aid from Farmington once and Milton Mills received aid from Farmington, Rochester, and Union.

The Red Network isn't the best way of reporting fires, but it is the only way at present. We are in hopes of improving this method as time goes by. The system costs approximately one dollar per day, which is very expensive for what we derive from it, but all efforts to get the phone company to lower the rates have failed.

I wish to thank all those who have helped us in the past year, both at fires and at the station. We look forward to a better year with fewer fires and still better co-operation through Mutual Aid.

Respectfully submitted

HERBERT A. DOWNS,
Chief Engineer, M. F. D.

Warrant of the Milton Mills Fire District

OFFICERS

Commissioners

Reuben J. Evans

Frank Taylor

William Madden

Clerk

Robert Lumbard

Treasurer

Chester Stevens

Moderator

Lewis P. Piper

*To the inhabitants of the Milton Mills Fire District
in the Town of Milton, qualified to vote in Dis-
trict Affairs:*

You are hereby notified to meet in the Fire House in said District on Saturday, the 17th day of March, 1956, at 8 o'clock P. M. to act on the following subjects:

1. To choose a Moderator for the following year.
2. To choose a Clerk for the following year.
3. To choose a Treasurer for the following year.
4. To choose a Commissioner for three years.
5. To see what sum of money the District will vote to pay the Chief, the Assistant Chief, the First

and Second Engineers, and the Firemen, in addition to the amount allowed by law, and the hourly rate of pay the aforementioned men while fighting fire in the District, in the town, in the surrounding towns and to pass any other vote or votes relative thereto.

6. To see if the District will vote to raise and appropriate a sum of money, not to exceed \$2,000.00 to pay the operating expenses for the ensuing year and to pass any other vote or votes relative thereto. appropriate \$240.00 for fixed charges on alarm system, four red phones and one black phone, and to pass any other vote or votes thereto.

7. To see if the District will vote to raise and appropriate a sum of money, not to exceed \$2,000.00 to pay the operating expenses for the ensuing year and to pass any other vote or votes relative thereto.

8. To see if the District will vote to raise and appropriate \$240.00 for fixed charges on alarm system, four red phones and one black phone, and to pass any other vote or votes thereto.

9. To see if the District will vote to authorize the Commissioners to borrow on notes of the District if necessary, in anticipation of 1956 taxes or pass any other vote or votes relative thereto.

10. To see if the District will empower the Commissioners to borrow on notes of the District a sum of money not to exceed \$250.00 to pay the note on the forestry truck, so-called tanker, and to pass any other note or notes relative thereto.

11. To transact any other business that may legally come before this meeting.

Given under our hand and seal at Milton Mills,
New Hampshire, on this 8th day of February, 1956.

FRANK N. TAYLOR
WILLIAM J. MADDEN
REUBEN J. EVANS
Commissioners.

A true copy of the Warrant—Attest.

FRANK N. TAYLOR

REUBEN J. EVANS
Commissioners.

Report of the Commissioners of the Milton Mills Fire District

The estimated operating expenses of the district for the year 1956 are as follows:

Salaries of the men and officers,	\$800 00
Fuel for the fire house,	200 00
Insurance on men, fire and liability on trucks,	108 00
Telephone alarm system (4 red and 1 black phone)	240 00
Maintenance of trucks,	150 00
Electric bills,	50 00
Clerk's expense (postage, etc.),	3 00
Treasurer's salary	25 00
New equipment,	400 00
Total,	\$1,976 00

FRANK N. TAYLOR
WILLIAM J. MADDEN,
REUBEN J. EVANS
Commissioners.

Report of the Milton Mills Fire Chief

To the Commissioners and Voters of the Milton Mills Fire district:

The following fires occurred in the district from January 1, 1955, through December 31, 1955:

- 3 chimney fires
- 2 building fires
- 1 car fire
- 1 gas fire

The district also answered the following fires outside the district:

- 1 slab pile fire (Acton, Me.)
- 2 chimney fires (Acton, Me.)
- 1 building fire (Acton, Me.)

I would at this time like to express the thanks of our community for the aid that was rendered by the different Fire Departments that came in to aid us on the Sweeney fire.

We have had a good year as to fires, and must impress, that you alone, are responsible for this, as it is through your carefulness and extreme regard for fire that this is possible.

We also want the taxpayers to feel that at any time they feel that they have an idea that is for the good of the Department, to come forward and present them, we will be only too glad to have them explained.

DAMON PIKE,
Chief.

ESTHER T. POLAND, R.N.

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said District on the 10th day of March, 1956, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools and the payment of statutory obligations of the district for the ensuing year, to be assessed by the selectmen less state aid and other income certified by the school board.
9. To see if the district will continue to raise and appropriate the sum of \$2,500.00 yearly to the established capital reserve fund for building a school Auditorium-Gymnasium in Milton.

10. To see what sum of money the district will vote to raise and appropriate for the construction of a fence on the boundary line of the land given to the school district, with the understanding that such a fence would be constructed.

11. To see what sum of money the district will vote to raise and appropriate for continued development of the school's playground.

12. To transact any other business that may legally come before this meeting.

(For the official attested warrant, see posted copies.)

Given under our hands at said Milton this —— day of February, 1956.

PRISCILLA G. AYER,
EMMA P. RAMSEY,
RALPH W. PUGH,
School Board.

A true copy of Warrant—Attest:

PRISCILLA G. AYER,
EMMA P. RAMSEY,
RALPH W. PUGH,
School Board.

Nute High	9-12	Walter J. Foster, Principal	109	135
Music	1-12	Elton Young		
	1-12	Esther T. Poland, Nurse		
			324	324

ENROLLMENT IN NUTE HIGH SCHOOL, SEPT. 20, 1955

District	IX	X	XI	XII	Total
Acton, Me.		1			1
Lebanon, Me.	6	3	2	3	14
Milton	24	20	15	14	73
Wakefield	7	7	1	5	20
Ossipee	1				1
Totals	38	31	18	22	109

Following are the expected enrollments in Grade I, according to the school census: 26 in 1956, 30 in 1957, 23 in 1958, 26 in 1959, 29 in 1960. It is estimated that the National population will increase 75

millions by 1975, indicating a continued growth in school population.

The School District of Milton with its present teaching staff could have a teacher for each grade provided they would accept reorganization of the present system. However, this can only be accomplished by placing the welfare of the children above all traditional barriers. Too often the proper perspective is lost sight of because of vested interest.

For reasons, upon which we have no control, it has been necessary to transfer Miss Elizabeth J. Lambert to the Milton Grammar School, Grades III and IV. Mrs. Lowd has replaced Miss Lambert at the Milton Mills School, Grades I-IV.

A new system of School District Organization is urgently needed in rural New Hampshire. The state is responsible for developing local school district organizations which can provide comprehensive educational programs and services, at the same time maintaining reasonable standards of economy and efficiency. The basic units of school district reorganization should be planned and developed without regard for the boundaries of existing political subdivision. Local citizens should be cognizant of the possibilities offered in belonging to a cooperative school district.

Cooperative School Districts Improve Educational Programs

1. By offering a wide range of subjects and courses in such fields as mathematics, science, the languages, industrial shops, business, agriculture, art, physical education, social studies, music, and home economics.
2. By staffing the schools of these Cooperative School Districts with teachers and supervisors, or con-

sultants, who are specifically prepared for the teaching they are to do.

3. By providing a large variety of essential activities, such as orchestra, glee club, band, public speaking, athletics, dramatics, and journalism. These activities are necessary for the mental, emotional, and physical well-being of every boy and girl.
4. By making available to all pupils such special services as guidance, counseling, transportation, hot noon lunch, library instruction, annual health examinations and services.
5. The enrollments of cooperative school districts are large enough to keep the unit costs per pupil, or per classroom, reasonable, economical, and justifiable to the taxpayer.

The cooperative school district is a trend of the future. However, now is the time to begin positive action by forming committees to make detail studies and long range planning.

A recent communication from Earl H. Little, Chief, Division of Vocational Education, will add emphasis to the above discussion, and I quote: "It has been questionable for some time as to whether or not Nute High School should continue to be approved for federal aid for Trade and Industrial work, . . . that unless Nute High School can see its way clear to provide adequate space and equipment, federal aid will be discontinued beginning with the school year 1956-57."

In conclusion, I should like to thank the School Board, teachers, Board of Trustees, pupils, and the

citizens of Milton for their wholehearted cooperation in my first year as superintendent of schools.

Yours respectfully,

RAMON MARTINEAU,
Superintendent of Schools.

**REPORT OF THE PRINCIPAL,
ELEMENTARY SCHOOLS OF MILTON**

To the Superintendent of Schools, Members of the School Board, and Parents and Citizens of Milton:

The prime emphasis of your elementary schools continues to be the maximum development of the individual child. There has been much discussion, pro and con, about the matter of providing for individual differences in our public school system, but the best thinking continues to be found in the camp of those favoring the tailoring of assignments to fit the individual capacities of the various pupils. As you parents look over your child's report card, do not seek to compare him with other children in his grade. The yardstick by which we judge him is not a class norm, but his own individual capacity and progress, as revealed by our testing and diagnostic program.

It has been argued that the child should learn of the inequalities of competition in school, for his daily life after school will be based on competition. My reply to such arguments is that we do not send an athletic team out to compete without previous practice in situations from which competition is absent; we do not send an army into combat without first training them to make the most of their capabilities without the dangers of combat surrounding them. Why, then, should we expose children to the unequal competition of life situations until we have trained them to make the best possible use of their natural talents and abilities.

Of course, it would be impossible to conduct any such program of individual instruction without a testing program designed to show up the individual's weaknesses and needs. Here in the Milton elemen-

tary schools we are continuing the testing program begun a number of years ago, using nationally known, standardized tests, supplemented by our own diagnostic and remedial work. Each child's abilities are carefully analyzed and he is encouraged to proceed from where he is to where he should be.

National Education Week was observed in November. I trust that none of you were disappointed because we did not hold an "Open House" one evening that week. If you are, blame me. The true purpose of National Education Week is to interpret the schools to the public. This, it seemed to me, could not be done half as well in the artificial situation of night classes as in the ordinary conduct of the classroom during a normal school session. Of course I know that some of you are unable, because of your work, to visit during the day-time, but, after all, a primary concern of us all is the health of the children, and remaining out long after bed-time in order to be exhibited at school is not particularly conducive to good health. In effect, we hold "Open House" all year long, for we welcome your visits during any school session.

Special projects continue to hold the stage at Milton Grammar School. Each room has put on its share, and space will not permit me to mention them all. I do recall with keen pleasure my visit to the doll show and the day I found Columbus' flag ship sailing proudly in the second grade room. Under Mrs. Foster's expert direction, the children put on the annual Christmas program at Nute High School. In January, the youngsters enjoyed and benefited by the wild animal exhibit and lecture presented by Mr. and Mrs. John C. Cloutman of Dover. Another special activity engaged in by sixth and seventh grade boys and girls has been basketball. Although we have not

had formal teams and a schedule, we have had a great deal of fun practicing and I trust and believe that the youngsters will be a little better prepared for their future participation on Nute High School teams. Not so long ago, athletics, music, art, etc., were regarded as the "frosting on the cake" so to speak, a sort of frill rather than a basic part of the curriculum. But now most communities recognize them as an important part of the child's total development, and they are included in most school programs as an integral part of the learning process.

A good playground is an important school asset and I cannot recommend too strongly that you hurry to development the potentialities which you are so fortunate as to possess, and develop them to the fullest degree. I am sure that the teachers who have "policed" the grounds with me this year will agree that it would be much easier and better to have a fully equipped playground on which the children could exercise their natural bent for fun. In this connection, let me thank the PTA for their generous gift, which will provide balls and equipment for spring activities. I should also like to thank all connected with the preparation of the skating rink. You never saw boys work any harder than did those who helped me construct part of the embankment, and clear the snow away so that the area could be flooded.

There have been some changes in the teaching staff this year. The post of principal has been filled by Theodore M. Blanchard, a graduate of Keene Teachers' College in 1935, who holds the Bachelor of Education degree, awarded at Keene in 1953. Mr. Blanchard has ten years of previous experience, seven of them in administrative posts. Mrs. Maryann P. Lacasse of Rochester taught grade III and a part of grade IV until the mid-year and then retired to pre-

pare for a blessed event. Her place has been filled by Miss Elizabeth Lambert, who has been teaching the lower grades out at Milton Mills for some time. Other assignments at the Grammar School remain as in the past— Mrs. Elsie Julin, grade I; Mrs. Doris Chase, grade II; Miss Ferne McGregor, grade V, and the balance of grade IV, and Mrs. Leona Foster, grades VI and VII. Mr. Alfred Moody continues as custodian, and Mrs. Amy Stowe prepares the hot lunches, aided this year by a newcomer, Mrs. Doris Cheney. Mr. Elton Young of Farmington has been engaged as music supervisor for Milton, and has done an excellent job, both here and at Milton Mills.

The Milton Mills school has also had a busy year. Mrs. Christie Kimball has been in charge of grades V through VII, and Mrs. Doris Lowd is now replacing Miss Lambert in the lower grades. Projects have included the sale of candy, soft drinks, and greeting cards. The children have formed a sports club and presented a musical program. The latter, featuring an exhibition of the work taught by Mr. Young, was very successful. A Valentine Box Party is planned for February.

The Grammar School opened the year with an enrollment of 137, distributed as follows:

Grade	I	II	III	IV	V	VI	VII
Number	25	21	22	22	16	19	12

Three have left us, but seven have been added, giving us a present enrollment of 141.

The Milton Mills enrollment was recently recorded as follows:

Grade	I	II	III	IV	V	VI	VII
Number	10	6	2	7	11	4	9

By the time that you read this, two of this number will have left to spend some time in England. We expect that they will return to us in the spring.

In concluding this report, let me say for myself and my co-workers that we have enjoyed the opportunity to serve you and your children, and that for those children we desire the very best that the future can bring to them.

Respectfully submitted,

THEODORE M. BLANCHARD,
Principal.

REPORT OF THE SCHOOL NURSE

*To the Superintendent of Schools, the School Board,
and Citizens of Milton:*

I herewith submit my annual report as school nurse.

The routine health services have been conducted as usual. In September and October, pupils of the elementary schools were weighed and measured and had their teeth checked. Inspection of the skin and hair were made from time to time to prevent the spread of skin diseases and pediculosis.

Vision tests were conducted in both elementary and high schools. Defects noted were reported to parents with the recommendation for a more thorough examination by their family optician or ophthalmologist.

By use of the Group Audiometer, hearing tests were given to all pupils in Grades 4 through 12.

Epidemics of measles and German measles prevailed throughout the winter and spring. Many visits were made to the homes of afflicted children.

The Salk Polio Vaccine Clinic was again conducted at the Memorial Drive School in Farmington. On May 23 seventy-two children received their first vaccine and on June 13 they were given their second inoculation. The children who had participated in the program the previous year were given a "booster shot" of the vaccine. No reactions occurred.

I wish to thank the Superintendent of Schools, the School Board, teachers and parents for their support and cooperation during the past year.

Respectfully submitted,

ESTHER T. POLAND, R. N.,
School Nurse.

REPORT OF PRINCIPAL OF NUTE HIGH SCHOOL

*To the Superintendent of Schools and Members of the
Board of Trustees:*

I hereby submit my seventh annual report of the Nute High School which opened its sixty-fifth year September 7, 1955, with an enrollment of one hundred and thirty-five. Transfers and withdrawals to date have left the present enrollment, of one hundred and twenty-nine, divided as follows: Seniors, 22; Juniors, 16; Sophomores, 29; Freshmen, 36; Grade Eight, 26.

The approved program of studies is the same as last year with the following alternates being substituted: Biology for General Science; French II for French I; Fused Geometry for Advanced Algebra and Trigonometry; Consumer Buying for Sociology; Human Behavior for Economics; Physics for Chemistry; The Home for The Family; Office Practice for Stenography and Typing; Bookkeeping for Business Law and Salesmanship.

The resignations of Mr. Louis Pagliuso, Mr. Wendel Nickerson, Mr. George Boyko, and Mr. Clyde Skelly were accepted and they were replaced by Mr. Harry Kimball of the University of New Hampshire, Mr. John Tierney of Keene Teachers College, Mr. Elton Young of the New England Conservatory of Music, and Mrs. Bertha Lord who returned to accept her previous teaching position. The veteran teachers were very happy to have Mrs. Lord return, but the jubilation was too short for Mrs. Lord became ill and had to resign. Three substitute teachers followed (Mrs. Buckler, Mrs. Nystedt, and Miss Worthley) before a per-

manent replacement could be found in Mr. Stuart Whipple, a graduate of the University of New Hampshire.

The Lunch Program is running smoothly again this year under the capable management of Mr. and Mrs. Harriman. We are serving approximately 86 meals per day of which about one-quarter are at reduced rates.

The Juniors and Seniors have been doing some automotive work in shop while the lower classes are engaged in woodwork. The usual projects have been made and several odd jobs repairing school equipment have been accomplished.

Physics students have been learning to make use of the forces found in our Universe; the flow of water and how to make it useful, the laws of motion, and heat and its uses.

The Eighth Grade Science class has learned a little about the soil, its conservation, and care. A sample of soil from one of the nearby farms has been sent to the Farm Bureau for analysis. The students have had an insight into the services of the Sanitation Department, atomic energy, and the extensive source of energy from the Sun.

The Seventh Grade did not have the opportunity to take Homemaking this year. The time usually allotted to them had to be given to the Freshmen and Sophomores because of the large group taking Foods and Clothing. This course has been divided into one semester of Clothing and one semester of Foods.

A course in Home Living is being offered to Juniors and Seniors this year. The units studied include: child care and development, home decoration, and home nursing.

The Home Economics laboratory has some new and very useful equipment. A Hardwick gas range was installed, making a total of three stoves, thus giving the students experience in both gas and electric cooking. A new Kenmore sewing machine has also been added.

The English classes are again using *Practical English*, the student magazine, and availing themselves of the many books of all types and grades furnished by the Bookmobile.

New equipment includes a set of lockers for the girls, twenty-four lockers for the boys, a portable electric sander, desks, chairs, combination locks, and two new typewriters. The policy of two new typewriters should be continued or increased for it is impossible to replace the machines at this rate as rapidly as they should be. The one electric typewriter we have came from government surplus and is now about useless. Electric typewriters are so much more expensive than manual machines, it has not seemed expedient to purchase another as more pupils can learn to type with the larger number of regular machines.

Extra-curricular activities are: Science Club, Volleyball, and Softball under the guidance of Mr. Kimball; Student Council and prize speaking, Mr. Whipple; girls' basketball, Mr. Tierney; baseball, Mr. Roberge; Nute *Flash*, Miss Goodwin assisted by Mr. Whipple; Dramatics, Miss White assisted by Mr. Kimball, Mr. Tierney, and Miss Goodwin; boys' basketball and National Honor Society, Mr. Foster.

In place of the senior three-act play, the student body combined their talents and presented three successful one-act plays directed by Miss White, Mr. Kimball, and Mr. Tierney. In the spring, the Dramatics Club will enact two one-act plays for the student body.

In May the annual fashion show will be presented.

Last spring Miss Goodwin, Mr. Skelly, and Mr. Foster took a Psychology course, "The Construction of Classroom Tests," given at Rochester by the University of New Hampshire.

The November issue of the *New Hampshire Educator*, the official journal of the New Hampshire Education Association, contains an article by Miss Goodwin.

The members of the Nute faculty are active in the newly formed Union 44 Teachers Association, which is a professional organization affiliated with the National Education Association. The Milton teachers entertained this group in December at Nute High School with Mr. Robert D. Bailey, Executive Secretary of the New Hampshire Education Association, as the speaker.

We are again grateful to the Milton Parent Teacher Association for sending one of our students, Janice Griffith, to the Conservation Camp.

Again I wish to express sincere appreciation to the superintendent, trustees, teachers, and townspeople for their continued support.

Respectfully submitted,

WALTER J. FOSTER,
Principal.

SCHOOL CALENDAR, 1956-57

School opens September 5, 1956

Session Days
